Social Media Milestone Achieved

Maxwell GeoSystems has reached a new milestone on LinkedIn, hitting 10K followers! A big thank you to everyone for following the company.

The company frequently posts content around construction projects, thought leadership topics, global events, product capabilities and construction technology trends.

Keep an eye out for news regarding some exciting developments of our bespoke MissionOS platform, a revolutionary product, digitalising the traditional construction industry.

For those not following, do follow the company page to learn more about the construction industry and the MissionOS platform.
