AFTES 2021 Congress Paris Recap

Earlier this week, Dr. Angus Maxwell, Founder and CEO, along with Riccardo Perlo, Business Sales Manager - Europe, attended the AFTES 2021 Congress in Paris, where they showcased the MissionOS system to the attendees.

A special thanks to Delta Monitoring - Groupe Geostat for showcasing MissionOS on their stand. Dr. Angus Maxwell presented the key functionalities and capabilities of the MissionOS platform, allowing participants a glimpse into this innovative cutting-edge, cloud-based construction data management software.

With events starting to take place across Europe, keep an eye out for Maxwell GeoSystems and learn more about the bespoke MissionOS platform.
