### Digital Construction Virtual Event

#### Digital Construction: The Elephant in the Room

Dr. Angus Maxwell, CEO and founder of Maxwell GeoSystems will be giving a talk on “Digitalisation: The Good, The Bad and The Ugly” at the Digital Construction Virtual Conference on the 26-27 of May 2021.

This event aims at bridging the knowledge gap between the digital believers and the digital doubters, with the key focus on underground projects.

Over the course of the 2 days, the event will have leading industry professionals, presenting thought provoking sessions from the world of Digital Construction.

If you wish to register for this virtual conference, please visit <https://www.accelevents.com/e/tjdigitalconstruction> and book your seats!
