International Women's Day 2022

8th of March marks International Women's Day, with the campaign theme this year being, “#BreakTheBias”.

Maxwell GeoSystems has always cultivated a work environment where the focal point has been to work together and build great products. The company is an employee-friendly, close-knit family, where there is active encouragement and support of individuals advancing in their career development.

With 45 female staff at Maxwell GeoSystems, representing 50% of the workforce, the company is proud to employ women in the field of Information Technology, Engineering, Construction and Management.

Maxwell GeoSystems will continue in its path to creating a world free of bias, stereotypes and discrimination.
