New Appointment

Extending sales coverage in South America

Maxwell GeoSystems is pleased to announce the engagement of Raúl Rojas Saldívar, as a Sales Agent based out of Peru. He will be focusing on countries such as Brazil, Colombia and Peru.

Raúl is a civil engineer, specialising in geotechnics, tunnels, underground works with more than 12 years work experience. He was also involved in various underground metro projects in countries such as Brazil, Venezuela and Peru.

Additionally, he actively participates in Geotechnical Instrumentation Consulting for construction and mining projects, along with being an independent researcher on underground mobility issues.

For more information on Maxwell GeoSystems and its MissionOS, be sure to check out our website www.maxwellgeosystems.com and Follow us on LinkedIn for the very latest news and developments.
