Politecnico di Torino Lecture

Riccardo Perlo (Head of Global Sales) of Maxwell GeoSystems will be giving a lecture on the 8th of March 2022 at the Politecnico di Torino, Italy, on the topic of digitalisation for successful project delivery.

Organised by GEAM, Associazione Georisorse e Ambiente, with co-organiser being Politecnico di Torino (Department of Infrastructure, Environment and Landscapes), notable speakers will be providing useful information on the various innovative technologies for data acquisition, management, and interpretation in civil and geotechnical engineering.
