New Appointment

Firm's European Sales Capabilities Strengthened

Maxwell GeoSystems is pleased to welcome aboard Riccardo Perlo as Business Sales Manager for Europe.

Riccardo is a specialist in Project and Construction Management with over 20 years' experience in providing project and construction management support to General Contractors for tunnel design and construction across Asia and Europe.

During his career, he has worked as a Senior Engineer Geologist, employed in the European Business Unit Group (GEIE) for the High Speed Train Base Tunnel (current TELT). He was appointed as Technical Lead of the Malaysian branch of Geodata Engineering, and later moved to the Hong Kong branch of Mott MacDonald Limited. In late 2012 he joined Maccaferri Group in Malaysia, as Technical Director.

More recently, he worked as Global Business Development Manager for the Eternal Preserve Ltd. based in Tokyo, focusing on slope protection and natural disaster mitigation, liaising with the major stakeholders.
