STUVA Conference 2021

Dr. Angus Maxwell, Founder and CEO of Maxwell GeoSystems, along with Riccardo Perlo, Business Sales Manager, will be attending the STUVA Conference held in Karlsruhe, Germany, from 24th - 25th November 2021.

They will be set-up in booth number A137, so be sure to catch up with them to find out more about Maxwell GeoSystems and its bespoke MissionOS software, a revolutionary product in the ConTech (construction tech) industry.

For over 50 years, the STUVA Conference has been one of the most important forums for the entire field of underground construction. With more than 3,800 professionals from more than 20 countries, it is one of the world's leading and largest events in the tunnelling sector.

The fair at the event is free, so do come visit if you are in the area.
