Strengthening footprint with new office in Torino, Italy

Maxwell GeoSystems is expanding its footprint across Europe-EU countries, with our newly established company, Maxwell GeoSystems Europe S.R.L, based in Torino, Italy.

As part of our continued expansion, we aim to grow and develop the business in Europe, enhancing our clients service and support needs with our MissionOS system.

Headed by Riccardo Perlo, this new presence will offer boots-on-the ground with sales, geotechnical engineers, as well as IT specialists resources, furthering strengthening the firm's capabilities in the region.

For more information on Maxwell GeoSystems and its MissionOS, be sure to check out our website www.maxwellgeosystems.com and follow us on LinkedIn for the very latest news and developments.
