UCA Young Members Tunnel Vision Series - Dr. Jacob Grasmick leading the discussion

Dr. Jacob Grasmick of Maxwell GeoSystems will be leading the discussion on “The Evolution of Digitalisation in Tunnelling” at the Tunnel Vision Series hosted by UCA Young Members on the 25th of August, 4PM EST.

UCA Young Members is a standing committee of the Underground Construction Association of the Society for Mining, Metallurgy and Exploration (UCA of SME). The UCAYM strives to enhance the visibility of the Tunnelling and Underground Construction industries with talented young minds throughout the United States.

In June 2021, Dr. Jacob Grasmick gave a talk at the RETC Event in Las Vegas in partnership with SME on quantifying tangible and intangible benefits of digitalisation in tunnel construction.
