New Appointment - Operations Manager (Europe)

Maxwell GeoSystems is pleased to announce the appointment of Andrés Gonzalez Bucchi, joining the company as 'Operations Manager - Europe'. He will be responsible for managing projects taking place in UK and Europe, driving development in the area of construction data and process management.

Andrés has a wealth of experience in the construction and infrastructure industry, having worked in South America and the Middle East for the past 11 years.

The company welcomes and wishes him the very best in this new role.
