Managing Uncertainty by Embracing Systems Approaches Seminar

Dr. Angus Maxwell, Founder & CEO of Maxwell GeoSystems will be delivering an expert seminar on the topic of “Managing Uncertainty by Embracing Systems Approach” on Friday 3rd March at 13:30 GMT.

Dr. Angus Maxwell has applied his extensive knowledge of Geotechnical Engineering and Project management to develop a company at the cutting-edge of data acquisition, interrogation and analysis, resulting in a revolutionary approach to project management and the interpretation of data.

The seminar is hosted by Analysis & Evidence L&D Team of the UK Government Department for Environment, Food and Rural Affairs (DEFRA).
