MGS India Celebrate Onam - 2019

Maxwell GeoSystems recently celebrated Onam 2019, the annual harvest festival held in the state of Kerala, India.

Onam is a special festive celebration symbolizing the Golden Era of the State of Kerala, commemorating its reign under King Mahabali. It is celebrated with a deep reflection on solidarity, secularism and inclusiveness, values which Maxwell GeoSystems also promotes within its ever-growing team in India and throughout its global organisation.

Onam 2019 was no exception to this, with a week-long programme of team-building activities, all reflecting the Onam theme. The final day's celebration was a vibrant occasion, with a beautiful Pookolam (flower arrangement), traditional dances and theatre performances, including a meet and greet by MGS's own King Mahabali and a scrumptious Onam Sadhya feast, shared and enjoyed by all.
